Coach Johnson:

I am writing on behalf of Ken Camel and the Reno Muckdogs.

I have associated my baseball program with the Muckdogs for approximately three years. We have had several of their graduates play for us when I was at Jacksonville State, and we have recruited others after my move here to YSU. I have found the organization to be professional, well organized, and committed to the wellbeing of their players, regardless of age.

I believe that Ken works extremely hard at what he does, that he represents the Muckdogs well within the Reno community, and that businesses in the area are gladly involved with his operation.

Any involvement that UNR might have with the Muckdogs would be beneficial to both sides and it is very unfortunate that it hasn't happened prior to now.

If you would like to contact me with questions, or would like to get an additional perspective I invite you to do so. Congratulations on your new position and best of luck with the transition!

Sincerely,

Steve Gillispie
